	Engineering - Improvement Inspection		\$100
<b>Corridor 3</b> – Parcels fronting West Leland Road from Bailey Road to San Marco Blvd. <b>(New and Interior and/or Exterior Modifications)</b>			
<i>Note: Fiber Optic installation eligible for this program may also include citywide project</i>			

### Limitations:

- Fee Pilot will not apply to projects with applications or preliminary plan reviews prior to February 3, 2020. Fee Pilot program does not reduce, expand or amend any statutes, codes or regulations, including the Pittsburg General Plan, specific plans, building codes or CEQA. All project applications will be reviewed, considered, conditioned and approved or denied according to all appropriate regulations and policies in force and effect prior to establishment of the pilot program.

**Send us an email to find out if your project qualifies!**
