SUBJECT: Adoption of a City Council Resolution Adopting the City of Pittsburg Ticket Distribution Policy

MEETING DATE: 4/20/2009

EXECUTIVE SUMMARY

The California Fair Political Practices Commission ("FPPC") recently amended Section 18944.1 of the California Code of Regulations ("Section 18944.1") relating to tickets or passes distributed by the City to, or at the behest of, public officials. Section 18944.1 now requires that the City adopt a written policy related to the distribution of tickets and passes. Both the written policy and information related to the distribution of tickets must be posted on the City’s website in prominent fashion. The attached resolution, if approved, will adopt a formal ticket distribution policy in compliance with Section 18944.1.

FISCAL IMPACT

There is no fiscal impact.

RECOMMENDATION

That the City Council adopt the attached Resolution establishing a ticket distribution policy for the City of Pittsburg.

BACKGROUND

In December of 2008, the FPPC revised Section 18944.1 relating to tickets or passes distributed by the City to, or at the behest of, public officials. The revised Section 18944.1 became effective in February of 2009 and further restricts the use of tickets and passes by City officials and employees.

From time to time, the City receives complimentary or discounted tickets or passes from outside sources for distribution to City officials and/or employees. In addition, the City occasionally purchases tickets or passes for its employees or officials for governmental
purposes. Section 18944.1 now requires that tickets be distributed in accordance with an officially adopted written policy, which must be posted in a “prominent fashion” on the City’s website.

**SUBCOMMITTEE FINDINGS**

Not applicable.

**STAFF ANALYSIS**

Section 18944.1 requires that the City’s written ticket distribution policy include, at minimum, the following provisions:

a. A provision setting forth the public purposes to be accomplished by the distribution of tickets or passes;

b. A provision requiring that the distribution of any ticket or pass by the City to, or at the behest of an official accomplish a public purpose of the City; and

c. A provision prohibiting any official who receives a ticket or pass pursuant to the policy from transferring the ticket or pass to any other person (except a member of the official’s immediate family).

Section 18944.1 provides the City with wide discretion to identify legitimate “public purposes” when distributing tickets pursuant to a written policy. Section 18944.1 states in part that “the Commission recognizes the discretion of the legislative or governing body of an agency to determine whether the distribution of a ticket or pass serves a legitimate public purpose of the agency, provided the determination is consistent with state law.” The proposed ticket distribution policy identifies several categories of uses that may qualify as “public purposes,” but does not provide an exhaustive list.

All tickets distributed pursuant to Section 18944.1 must be accounted for and reported on FPPC Form 802, which must be posted “in a prominent fashion” on the City’s website within 30 days of the distribution of the tickets. The “Agency Head” must sign each disclosure form verifying that the distribution of tickets is in accordance with Section 18944.1.

The attached ticket distribution policy has been prepared by City staff to meet the requirements of Section 18944.1. If adopted by Council, the City Manager will be responsible for implementing the proposed policy, distributing tickets, and ensuring that both the written policy and future FPPC disclosure forms are posted on the City’s website.
